From the Head of Primary Campus

Dear Families

NAIDOC WEEK

This week on the Primary Campus we have begun celebrating NAIDOC Week. The theme for NAIDOC Week is 'For Our Elders'. Across every generation, our Elders have played and continue to play, an important role and hold a prominent place in our communities and families. They guide our generations and pave the way for us to take the paths we can take today and in the future. It is a time to celebrate all the Elders in our school community.

Learning Experiences across the Primary Campus

In our Reception classes, students have been investigating Aboriginal symbols and their meanings. They have been practising drawing these symbols ready to design their own guernsey that represents their own stories and journey and how the elders in their lives have been a part of this.

The Year 1 students are currently exploring the 'The Rainbow Serpent' as part of the Creation Story in Religion. The children are making a rainbow serpent in Art and have written their own interpretation of the story.

Year 2 students have been learning about the importance of showing respect to the Aboriginal and Torres Strait Islander culture and land. The students have had the opportunity to demonstrate this, as well as reflect on their actions, to ensure a respectful mindset is maintained.

The Year 3 students have been focusing on storytelling and how Aboriginal and Torres Strait Islander Elders use storytelling to teach and guide. They will continue to explore how Elders play such an important role, and the impact this has in their lives.

Year 4 and Year 5 students have commenced focussing on Important Aboriginal and Torres Strait Islander Figures from both the past and the present, and how their contributions in their chosen fields have impacted Australia.

Student Absences/ Late Arrivals

When a student is absent or going to be late, parents should notify the school by 9am on that day by texting the **Absentee Line on 0438 368 846 (SMS) or phoning (08) 8447 0500**. You will need to state the following:

NAME OF CHILD, YEAR LEVEL, REASON FOR ABSENCE eg *If late approximately what time will your child arrive etc.*

A medical certificate is required if a student is away for more than 3 days. For any planned extended absence, an explanatory letter to the Principal requesting permission to be exempt from school is required.

From Head of Primary Campus Continued...

The opportunity to continue to gain further knowledge about the Elders of the past and present, supports students in being increasingly respectful to those individuals who have initiated change, both past and present.

The Year 6 students have explored what NAIDOC week means to our community, they have watched a range of videos and engaged in prayer each morning to recognise the importance of our First Nations community.

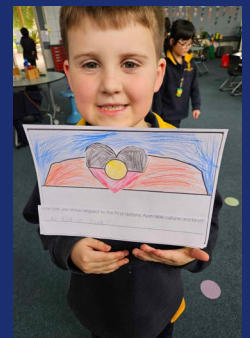

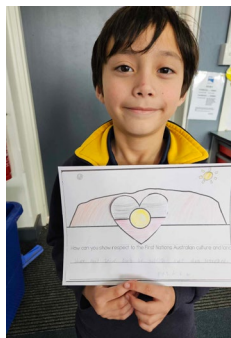

The students have also researched and written about Eddie Mabo creating persuasive texts to the Government asking for land rights. In Art, students have investigated the Australian, Aboriginal, and Torres Strait Islander Flag and created their own version

incorporating all three to represent unity.

Each day in 'Calm Zone', activities have been planned for students to express their artistic skills while celebrating NAIDOC Week. Students are being provided with opportunities to develop their understandings through a variety of learning experiences. Throughout this week and in Week 1 of term 3, students will continue to acknowledge this significant celebration.

The Year 1 students will be hosting a Liturgy on Thursday 27th July at 2:00pm in the Hall. We extend an invitation to families to join us, if possible, to acknowledge and celebrate NAIDOC week.

INCURSION

The Reception – Year 2 students were entertained with an Incursion, 'Silly Songs Circus'. They were amazed at the skills demonstrated and enjoyed the magical bubbles that appeared from nowhere!

ASSEMBLY

Last Friday, the Year 4 students hosted the final Assembly for Term 2. This was an opportunity for the students to share and celebrate their learning throughout the term, whilst respective parents and family members were entertained with a 'Behind the News' presentation. We acknowledge and appreciate the support of families attending our Assemblies. Well done Year 4!

AUSSIE OF THE MONTH

We congratulate Asher Rice, for being the Year 4 recipient of Aussie of the Month. The Aussie of the Month recipient is someone who embodies the Mount Carmel College and Gospel values of Love and dignity in all they do. Asher is an excellent role model in every aspect of her school life.

SPORT

We also acknowledge and congratulate the 2/3 Basketball Division 3 team who won the championship. Team members were: Salvatore Mercieca, Royce Krakouer, Antonio Fernades, William Coulls, Jayce Stoffer, Paolo Giordano and Mia Cortes.

Thank you to Mrs Donna Mercieca for her generosity in being the team coach and supporting the students to achieve victory.

NETBALL CARNIVAL

Students across Years 2-6 participated in a Netball Carnival this Wednesday. This opportunity engages a variety of schools and students participate in a round robin series of games. Thank you to the generosity of parents who have volunteered to coach a Team. Good luck to all involved!

SHREK MUSICAL

Students in Years 2-6 had the wonderful opportunity to attend

the Mount Carmel College Matinee Performance of the Musical Shrek. The venue, 'The Arts Theatre' in Angas Street, Adelaide enabled our students to experience a professional theatre. The students loved the performance and it provides our students insights into future Arts pathways that are available for them as students of Mount Carmel College.

100 DAYS OF SCHOOL (RECEPTION)

On Wednesday, 5 July, the junior primary students and teachers were excited to celebrate 100 days of school.

To show their school spirit and celebrate this special day, the Reception and Year 1 students dressed as if they were 100 years old. What a milestone!

We wish students and families a safe and happy holiday. Term 3 resumes for students, Reception – Year 12, on Monday, 24 July.

Year 6 Community

This term, the Year 6 community have been visiting the Senior Campus and have also been doing some fun activities such as cooking and woodwork. The students have really enjoyed doing these activities and have cooked chicken tortillas as well as muffins. In woodwork, the students made a candle holder which we sanded and oiled and were able to take home.

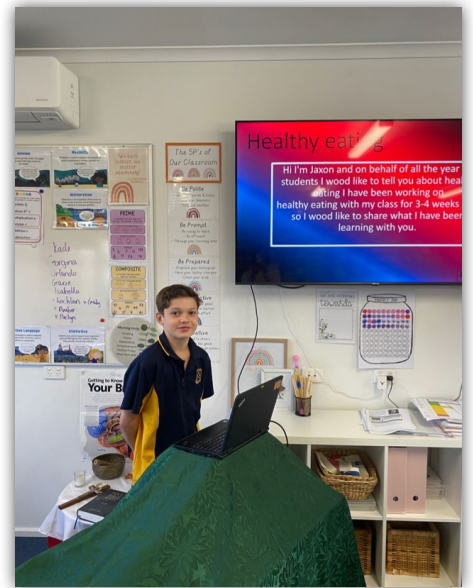

The Year 6 community have also been working on Growth Mindsets, this has really helped us to learn how to persevere through tough times. We have also been learning about Mental Health, we made a brochure about what mental health is, strategies to help as well as services to support us if we are going through tough times.

The students have also been learning about Persuasive Writing. In class we watched a video about Eddie Mabo and his adventure. After we watched

the video, we made a speech pretending to be him to the High Court. Additionally, we created our own persuasive about our own interest which we presented to the whole class. We were very nervous and scared at first but in the end, we made it through using our Growth Mindset.

For Religion, we also have watched a very interesting film called The Final Quarter which is about Adam Goodes and his journey about bringing more attention to racism. The students have watched it and reflected about what it has brought attention to and what their thoughts are about it. We have made so many amazing memories in Year 6 this term and we hope to make more!

**Avin Trinh-Ahadian & Maggie Le,
Year 6 Students**

Reap what you Sow!

Students enjoyed planting and growing fresh produce at our Primary Campus.

Year 7 Camp

In Week 5, Term 2, the Year 7s went to the Adare Campsite in Victor Harbor. The original Adare House was built in the 1800s and is now used for accommodation. The house resembled a castle. The boys stayed in Adare House while the girls stayed in cabins. The dorms in the old house had room for between 8 and 12 people. While the boys were looking forward to sharing a dorm with friends, after two nights they said

having eight people in one room made it very smelly. The girls said they had no such problem.

The camp included many daily activities and games. Two of the most favourite activities were mountain biking and the Flying Kiwi. For the Flying Kiwi, students were yanked approximately 10 metres into the air by their

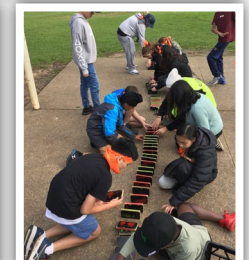

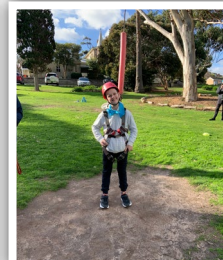

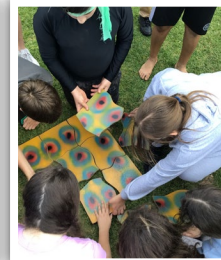

teammates pulling on a rope. Other activities included Beach Games, Water Obstacle Relay and Survivor Challenge. These activities were used to teach students about communication, teamwork and participation.

Overall, the students had a great time and it was an experience they will never forget.

Year 7 Camp Continued...

Last Friday we said goodbye to 75 students in our first group in Try A Trade Construction. Year 10 Students learnt how to tile, lay bricks, use carpentry tools, paint and plaster as well as obtaining their white card to enable them to enter construction sites for work experience. This week our girls will finish also.

We hope to see many of our students back with us next year to commence their Certificate II in Construction. Registrations are now open on our website for Expressions of Interest in 2024.

 All welcome

ENROL NOW!

Children's brains develop rapidly in the early years of life. Positive play experiences will help children develop early literacy and numeracy skills. At Playgroup you will have the opportunity to talk, sing, play, laugh, look and learn.

"The wider range of possibilities we offer children, the more intense will be the motivations and the richer their experiences."
 Loris Malaguzzi

Please bring your own child's healthy snack for fruit time and a hat in warmer weather.
