Dear families

MOUNT CARMEL COLLEGE HOUSE PATRONS

The acknowledgement and celebration of each of the College's four House Patrons is significant for our community. It is important that staff, students, and families are aware of the names of each Patron, their core values, and how we can each strive to model their personal qualities daily.

On Monday, staff and students across Reception - Year 6, gathered in the Hall to officially launch the House Patrons and respective banners:

- **Joseph (Blue) represents Generosity and Acceptance**
Joseph, Jesus' father was a protector. He was generous, giving and accepting.
- **Tenison (Red) represents Knowledge and Determination**
Father Julian Tenison Woods was a priest, scientist, writer, and musician who was also determined to achieve his shared goals with Mary and the Josephite Sisters.

• **Agius (Yellow) represents Integrity and Unity**

Josie Agius was a Narrungga, Karuna, Ngarridjeri & Ngadjuri leader in South Australia. She worked tirelessly towards reconciliation.

• **MacKillop (Green) represents Compassion and Community**

Through her compassion, and enriched by her strong faith, Mary MacKillop created community.

Every student has been allocated to a House, with multiple siblings being placed in the same House. Children will remain in this House throughout their duration at Mount Carmel College.

YEAR 6 HOUSE LEADERS FOR 2024

Students spoke to the Year 6 community about why they wanted to be in this leadership role, and identified the qualities, and values of a successful leader. Students then contributed their passions for supporting their House Patron.

Individuals voted for their peers whom they felt reflected the core values of their respective House Patron.

We are very proud of the Year 6 community who demonstrated excellent Leadership qualities, and support for one another.

We congratulate the House Patron Leaders for 2024.

Agius:

VIP (Very Important Person) MORNING VISIT

Next Friday, 8 March, will be our first VIP morning invitation for the year. We cordially invite families into their child's class areas between 9.00am – 10.00am. This is a valued opportunity for students to celebrate and showcase their learning over the past 5 weeks of term one. We have ensured that each term we will alter the time and day; this will hopefully accommodate parent and family members work schedules.

We look forward to seeing you next Friday.

The College Captains participated in the JJAMM conference in Sydney, NSW. Joined by student leaders from Josephite schools across Australia and New Zealand, the captains strengthened their leadership abilities. Run by the Sisters of Saint Joseph, there was a focus on servant leadership, with both captains immersing themselves in this truly transformative experience.

For me, the biggest highlight was meeting new people from around Australia and New Zealand. By the end of the conference, when we had to say goodbye, it was very sad for everyone because we had all developed a very strong bond with each other.

Steven Ward, Year 12

The most powerful moment for me was visiting the tomb of Mary MacKillop, as being in the presence of Australia's first saint was a surreal feeling, she did so much for children and stayed strong in her vision of faith. I was reminded of one of her most famous sayings, which is "never see a need without doing something about it", and this conference taught me that as a leader I might make mistakes, but I am worthy and should not be discouraged from following my vision.

Year 3s off to a Good Start!

We have had an amazing start to the school year. The students have participated in a variety of establishment tasks, learning new routines and becoming familiar with their new classroom. As a Year 3 Learning Community, we have spent some time together looking at our expectations and agreed practices.

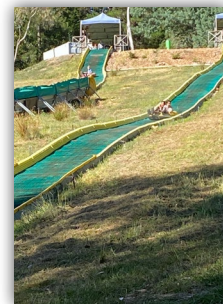

There have been lots of fun activities going on, with some of these images displaying some of our great work.

These include looking at:

- Mandalas for our prayer
- Lunar New Year
- Self-portraits
- Eating pancakes on Shrove Tuesday and writing about it
- Creating selfies in the genre of Minecraft
- Acknowledging Australia Day with activities related to the text, "Possum Magic"
- Valentine's Day.
